Dictation 1

There was a good, wealthy merchant with three sons and three daughters. The merchant's daughters were beautiful. The youngest was called Beauty. Beauty was beautiful on the inside and on the outside.

Dictation 2

The merchant went into the palace. He found a magnificent room. There was a table of delicious food. After eating, he decided to explore the palace.

Dictation 3

Beauty's father woke up the next morning. He found magnificent new clothes. He looked out the window. He saw beautiful flowers, not snow. He also found more delicious food in the room.

Name :

Date :

Dictation 4

Beauty explored the palace. She found a door with a sign. It said “Beauty’s room”. She opened the door. She discovered a library.

Dictation 5

The Beast gave Beauty a gold ring. The magic ring would take her to her father. Beauty put on the ring. In the morning, she woke up in her father’s house! Her father was so happy.
