3- A special kind of websites that belongs to one per	cson who posts information
for others to read.	()
4- A way that people used in the past to send messa	ges to each other.
	()
5- A machine that is used to clean the polluted gase	es from the air

(.....)

Listening texts

<u>Unit 7</u>

Listen the text and choose the correct answer:

People have used hydroelectricity (also called hydropower) for a very long time. Hydroelectricity means using the energy from moving water to move machines or generate electricity. The Ancient Egyptians and Greeks used the energy in moving water to turn the waterwheels. The waterwheels could move machines and these machines helped with both farming and making food.

<u>Unit 8</u>

Listen and circle
